

**Royal Brompton Hospital,
Occupational and Environmental Medicine, London SW3 6LR**
**Speakers: Justine Arbery, Julie Cannon, Professor Paul Cullinan,
Professor Sir Anthony Newman Taylor, Dr Jo Szram**

OCCUPATIONAL ASTHMA WORKSHOP

Especially suitable for Occupational Health Advisers, Occupational Health Nurses and Practice Nurses, though all Occupational Health Professionals are equally welcome. The day covers current issues in diagnosis, workplace surveillance, outcome, and prevention and management of occupational asthma.

Each topic will contain practical examples and ample opportunity for discussion. Please note that the number of places available is limited.

A few comments from previous delegates:

- I can honestly say that it was the best workshop/study day I have ever been to, so thank you very much for a very enjoyable and informative day. I have taken away some very interesting thoughts and ideas.
- It was excellent; very good speakers, all friendly and approachable. Very good knowledge base
- Please pass on to everyone concerned with the recent Study Day on "Occupational Asthma" a big thank you for such an excellent day. I appreciate all the hard work involved, and I feel I learned so much. Many thanks.
- The most interesting and informative workshop I have attended for many years.
