

Department of Occupational and Environmental Medicine

OEM Laboratory Service Request Form – Please print and post with sample

a. Patient/employee details:							
Surname	First Name	Date of Birth				Sex: M / F	
		d	d	m	m		y
Patient reference	Patient's employer						

b. Referrer details:		
Surname and title	First Name	Organisation status <i>(please circle one)</i> NHS / University / Other
Tel no.		E-mail
Address for results		Address for invoice <i>(if different)</i>

c. Please tick tests required. For #2-3, please telephone to discuss before sending samples.

1. Standard allergens (IgE or IgG) – LISTED OVERLEAF

Please tick here and allergen(s) overleaf

2. Other non-standard allergens (suspected or novel) - IgE, IgG or precipitating

Please tick appropriate box and state allergen(s) below:

i.	<input type="checkbox"/> IgE	<input type="checkbox"/> IgG	<input type="checkbox"/> Precipitins	Allergen:
ii.	<input type="checkbox"/> IgE	<input type="checkbox"/> IgG	<input type="checkbox"/> Precipitins	Allergen:
iii.	<input type="checkbox"/> IgE	<input type="checkbox"/> IgG	<input type="checkbox"/> Precipitins	Allergen:

3. Lymphocyte proliferation testing for beryllium Please tick:

Fresh, heparinised sample required

d. For tests #1 and 2, send Request Form with 10ml clotted blood or 5ml serum in a suitable container to:

Dr Meinir Jones/Jenny Welch
Occupational and Environmental Medicine
National Heart and Lung Institute (Imperial College)
Emmanuel Kaye Building, 1b Manresa Road, London SW3 6LR

For test #3, please contact Dr Meinir Jones

 - 020 7351 8355 |  - 020 7351 8336 |  - meinir.jones@imperial.ac.uk; j.welch@imperial.ac.uk

NB: Please do not send samples on a Friday due to potential for delay over weekend
